

Formulate C-Shaped Wall

C-WALL

Formulate™ tension fabric conference walls are lightweight, stylish solutions to your meeting space needs. Ergonomically designed, Formulate C-shaped and Serpentine-shaped walls combine the latest developments in fabric printed technology with gently curved 50mm aluminum frames to create private, cozy and stylish conference areas within any space.

features and benefits:

- State-of-the-art 50mm curved aluminum tube frame with sturdy internal spigots
- Perfect for a small table and chairs or benches for seating
- Create a stylish, semi-private space
- Kit includes: one frame, one dye-sublimated zipper pillowcase graphic, and one wheeled molded OCE storage case
- Lifetime hardware warranty against manufacturer defects

EXPANDING SPIGOT FOR 50MM TUBE	x9	ES-50
C-SHAPED WALL FABRIC GRAPHIC	x1	C-WALL-G

C-WALL FRAME ASSEMBLY:

Assemble unit by laying tubes flat on the floor. Connect the tube rails following the labels by matching number to number.

Slide joiner into tubing so hex screw sits in hole on tubinger. Tighten the hex screw so the joiner separates and tightens against the inside of the tubing, locking the joiner and tubing together.

STEP 1: ASSEMBLE FRAME

Connect bottom tubes following the labels matching number to number

FOR 50MM TUBES: Slide joiner into the tubing so the hex screw sits in the hole on the tubinger.

CONTINUED: Tighten the hex screw so the joiner separates and tightens against the inside of the tubing, locking the joiner and tubing together.

For 30mm tube connection repeat the same steps as ES-50 assembly.

STEP 2: ATTACH GRAPHIC

Connect top tubes following the labels matching number to number. Clean frame before attaching fabric.

Due to height of C-Wall, turn frame on side and pull graphic over frame.

Zip graphic closed along top of frame. Stand upright.
