

SMOOTH WALL FABRIC GRAPHIC

Create seamless visual impact with large-format fabric graphics designed for versatile wall applications.

The Smooth Wall Fabric Graphic Panels offer a bold and clean visual solution for wall coverings in trade shows, retail environments, corporate spaces, and more. Produced using high-resolution dye sublimation printing, these single-sided fabric panels deliver vibrant, full-color imagery on a wrinkle-resistant material that installs easily and looks flawless.

OVERVIEW

- Large dye sublimated wall fabric graphics solution
- Standard widths: 10, 15, 20, 25, 30, 35, and 40ft
- Standard heights: 8 or 10ft
- Custom sizing is available
- Ready-to-Install Design: Each graphic is finished with perimeter hemming and features grommets every 12 inches across the top, allowing for quick and secure installation or easy change-outs as needed. Grommets are available in silver or black to match the magnetic hook color options.
- Drop Ceiling Compatibility: An optional magnetic hook system (used with drop ceilings only) offers a clean, tool-free hanging solution.
