

WALLBOX 10ft w/Center Storage

Introducing the Wallbox 10ft with Storage – a sophisticated solution for dynamic presentations and efficient storage integration. Crafted with precision and innovation, this tubular backwall display seamlessly combines a spacious 10ft canvas with a versatile 90° extension, enhancing both your exhibit's aesthetics and functionality.

Design and Construction:

The Wallbox 10ft boasts a sleek tubular design, featuring a 30mm diameter with an elegant anodized silver finish. Its tool-free assembly system, enabled by spring push-button connections, ensures hassle-free setup, allowing you to focus on your presentation with ease.

Graphics and Wrapping:

Immerse your audience in captivating visuals with our dye-sublimated fabric graphics. The pillowcase-style finishing offers a seamless wrap-around effect, covering the front, back, and both end caps of the frame. A solid white fabric adorns the top and bottom, framing your message with clarity and sophistication.

Storage Integration:

Effortlessly transition from presentation to organization with the integrated storage area. Positioned discreetly within the 90° extension, accessing your materials is as simple as unzipping the opening, placing your contents inside, and securely zipping it closed. Say goodbye to clutter and hello to streamlined professionalism.

Dimensions and Portability:

With dimensions measuring 10ft W x 7.5ft H x 4ft D, the Wallbox 10ft offers ample space for your visual narrative while maintaining a compact footprint. Additionally, the inclusion of a travel bag ensures convenient transportability, making it the perfect companion for trade shows, exhibitions, and beyond.

Customization Options:

Tailor your display to reflect your unique brand identity with our [customization services](#). Whether it's color schemes, branding elements, or additional features, our team is dedicated to bringing your vision to life, ensuring your display stands out amidst the crowd.

Elevate your presentations with the Wallbox 10ft with Storage – where innovation meets functionality, and style meets substance.

Press button & insert swaged end into receiving end of tubing

STORAGE AREA

Storage area is located in the center of the display and is accessed via a zipper on the right side of the storage area. The zipper opens from the bottom up, starting from the corner where the front right panel meets the right storage panel and runs up along the center end cap seam. Zipper color is white so keep that in mind when designing graphics.
