

Backlit Ring 1204 - Hanging

Direct event attendees to a booth or exhibit with the Formulate® Backlit Ring Hanging Structure 1204. This versatile structure mounts to the ceiling and takes visuals to the next level with LED lighting that offers minimal shadow and the perfect brightness to any image. The ring structure measures 12' wide and 4' tall. The double-sided pillowcase fabrics stretches over light aluminum tube structures for quick and simple assembly

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications

features and benefits:

- Constructed with 30mm (1 1/8") tubes and push-button connectors for simple assembly
- LED lighting is suspended in the middle of the structure
- Engineer certified (structural engineer certificate available upon request)
- Zipper pillowcase fabric graphic with bottom panel
- Comes with hanging cables
- Collapses to a fraction of its size and easy to store & ship
- Comes in a box or case
